TAKE A BREAK ON A MOSETTE GARDEN BENCH

Whether you're looking for a matching accompaniment to your Mosette Firepit or a comfortable resting spot in your garden, this simple Mosette Garden Bench will make a beautiful addition to your yard. The chiseled relief of a Mosette Garden Bench has a charming appeal, and it can be built by anyone. Everything you need for a 48" x 24" Mosette Garden Bench is included in this kit: three sizes of Mosette units for a stylish random look, cap units and concrete adhesive.

For a peaceful respite in your back yard, add a Mosette Garden Bench for only \$49!

TO INSTALL

- 1) Dig a 48" x 7.5" trench 3" deep, level and compact.
- 2) Lay the base course according to the diagram below.
- 3) Apply concrete adhesive to top of base course.
- 4) Lay the second course according to the diagram below, repeat process for third and fourth courses.
- 5) Cut cap units to fit top course with uniform overhang.
- 6) Apply concrete adhesive to top course and secure cap units.
- 7) Let dry at least 24 hours before using.

All Sales are Final.
